

# Survey on SFMuni Buses System, issue 2001 - 2003.

Dear San Franciscans,

The SFMuni did not comply with our many neighborhood requests **to remove the annoying signal noises** from the buses. These sound wave signals reach as far as 150 feet inside our homes.

We need your help to answer these questions: Date: \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_

**1-** At what time did you get on the bus today? \_\_\_\_\_ AM \_\_\_\_\_ PM

**2-** Once you're in the bus, do you hear the Buses **speaker announcement** or **noise signals, similar to an annoy "Beep, Beep" or whistle sound signal?**

\_\_\_\_\_ YES \_\_\_\_\_ NO

**3-** Are you been harassed while in the bus, home or office by the signals and sounds from the Muni Bus System?

\_\_\_\_\_ YES \_\_\_\_\_ NO

**4-** Would you like to have **these annoying sound signals removed** from the new electric Muni buses and changed to a more normal and quieter bus?

\_\_\_\_\_ YES \_\_\_\_\_ NO
